Sir:

In reply to the Office Action dated June 21, 1999, Applicant respectfully requests reconsideration and allowance of the above-captioned patent application. The Office Action only contains a provisional rejection of claims 10-25 under the judicially created doctrine of obviousness-type double patenting. In accordance with the Examiner's suggestion, Applicant files herewith a Terminal Disclaimer to obviate the rejection.

It is respectfully submitted that the application is now in condition for allowance. Appropriate notice to the effect is respectfully requested.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
